

Scholarship Terms and Conditions

- Within each category, the number of scholarships awarded is limited and applicants must meet the minimum selection criteria for the relevant category in order for your application to be considered.
- Scholarships are awarded on a first-come, first-served basis. All scholarships and grants are at the discretion of the University.
- Students can apply for more than one scholarship, provided they meet the eligibility requirements. In case a student qualifies for more than one reduction, scholarship or discount, the student will be given the chance to choose the scholarship with the highest value.
- The scholarship does not include textbooks, excursions, accommodation, living expenses or any other study-related expenses.
- Scholarship recipients or those who qualify for a reduction in the cost of tuition may not appeal the decision of the University, or the percentage or amount of reduction assigned. The decision to grant or deny a reduction in cost is final.
- Students must apply for scholarships using the scholarship request form and must attach all required supporting documents as requested in the scholarship form by the date specified in relevant scholarship sections. Scholarship applications may be submitted at the same time as applying for a programme of study but will only be considered once full supporting documentation is received.
- Any scholarship and/or discount amount will be distributed equally across the payments made by the student.
- Any student with an outstanding debt to the University will not be considered for a scholarship or discount. Where scholarships or discounts are awarded for more than one year, any outstanding debt from the preceding year(s) will first be deducted from the scholarship or discount amount before it is applied to the remaining fee.
- The advance payment of any fees paid is non-refundable if an unconditional offer letter has been issued to the applicant. Students who have received a Conditional Offer Letter must provide the remaining documents to receive an Unconditional Offer Letter from the university before the start of the academic year. In case a student does not meet the conditions required, his/her admission and any discounts or scholarships awarded will become void and any tuition fee paid will be refunded back to the student.
- Students awarded scholarships and/or discounts from the University are expected to maintain high standards of academic achievement and personal conduct and to act as an ambassador for the University. Award holders may be expected to participate in promotional activities for the university as requested.
- Scholarships and discounts cannot be exchanged for cash, are not transferable and cannot be deferred to an earlier or later start date, except at the full and sole discretion of DMUK.
- DMUK reserves the right to cancel any award at any time which has been claimed fraudulently including on the basis of provision of false information to claim the award and to apply the full tuition fee.
- Where a student who has been awarded a scholarship or discount and subsequently terminates or interrupts their studies prior to the completion of their first year of study, the award will be pro-rated, based on the student's last date of attendance and a calculation of the student's outstanding Tuition fee will be made upon the student's last date of study.
- By accepting any scholarship or discount, the students agree to accept the full terms, conditions and rules of the scholarship and agree to abide by the university rules and any

requirements and/or proceedings issued by DMUK in relation to the award.

- The University reserves the right to cancel any award of scholarship/discount if a student is found in breach of any guidelines set by the University or has falsified any information.
- There is a set budget for scholarships every year and the University reserves the right to withdraw, amend or discontinue any scholarship/discount from time to time.
- All scholarships and discounts apply to study options at DMUK only and cannot be transferred to other De Montfort University campuses.
- Additional terms and conditions may apply for each scholarship.
