### REQUEST FOR DEFERRAL OF COURSEWORK AND ONLINE ASSESSMENTS (previously formal examinations) ON GROUNDS OF EXTENUATING CIRCUMSTANCES

#### NOTES

1. You must submit this form by the relevant publicised deadlines. Requests for deferral received after the deadlines will not be considered.

Department of Academic Systems will set the deadlines for submission of this form in relation to coursework deferral requests. Should you require any further information please contact Department of Academic Systems. **All deadlines will be strictly adhered to.**

For postgraduate and undergraduate examinations that fall outside the main assessment periods (May), the deadline for receipt of forms will be 14 calendar days from the date of the examination concerned.

2. Forms must be submitted as close in time as possible to the circumstances which they describe.
3. There is no such thing as 'retrospective deferral'.
4. Remember that extenuating circumstances do not in themselves excuse a failure or poor performance. In considering whether the extenuating circumstances are such as to justify granting deferral of coursework or remote examination, the Panel will take account of:
  - The supporting evidence - if available
  - The closeness in time of the circumstances to the deadline dates listed overleaf
  - Whether all coursework might have been equally affected
  - The severity of the problem or impairment
  - The length of time the circumstances or problem or impairment has lasted
5. If accepted by the Panel, this request can lead **ONLY** to a deferral of the coursework or remote examination. If the student has already completed the assessment for which deferral is being requested, and the Panel accedes to the request, the student's work will not be marked. If it has already been marked, the mark or grade or other outcome **shall be declared void** and shall **not** be entered on the student's record either at this time or at any future time.
